## The Italian Dolomites and Lake Garda! - 10 nights: May 5—14th, 2025

What an adventure this will be! Flying into Verona, Italy we will be picked up by our favorite host from Tuscany, Giuseppe Rossi. From there we will go to Lake Garda for a genuine taste of Italy. Lake Garda will take your breath away. The largest lake in Italy, it is stunningly beautiful. We'll indulge in the delicious local cuisine and explore the charming

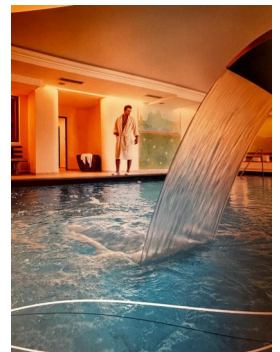

towns such as Salo, Malcesine, Desenzano del Garda and Peschiera. Then on to the Dolomites which are actually a part of the Alps.

The central region of the Dolomites is characterized by vast chains of majestic peaks and distinctively shaped mountains. Towering pinnacles punctuate the lush green meadows, while impressive rock formations emerge from the rugged and desolate landscapes. Nowhere else in the Dolomites can you encounter such ethereal scenery as here. We will be staying in the beautiful area of Ortisei.

What a variety of subject matter we will have! Giuseppe

says we will have a dedicated studio space, but as you know we love to go out and about. So, as usual, we will be fitting our painting time in with our adventures. We strive to make it more than just a trip....a relaxing retreat to share the art of painting and the art of having fun.

Yes, there's a Spa!

As we've learned over the years, the best part of a trip is our camaraderie, learning from each other, sharing our adventures and painting incredible memories. Come join us!
